Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest a method for infusing resin into a textile preform including, providing a woven, textile preform having a base with first and second surfaces on opposite sides and a (single) leg extending from a central portion of the base, the leg having first and second surfaces on opposite sides, inserting a barrier between the first surface of the base and the first surface of the leg, placing a resin film in contact with one of the surfaces of the leg and applying heat and pressure to the resin film to infuse resin into the base and leg.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
